Donor _____

Date _____ Driver _____

This will confirm your recent donation to The City Rescue Mission. Your prayers and tax deductible gifts are our means in helping the least, the last, and the lost. God is supplying the Mission's needs and He is using people like you.

These items are tax deductible based on a fair market value. The IRS Regulations state that the taxpayer must, "...support the fair market value of the property at the time the contribution was made...If the valuation is made by appraisal, a copy of the signed report of the appraisal may be submitted."

No goods or services have been provided in return
 The IRS requires that each donor make his own evaluation.

May God richly bless you for sharing with those less fortunate is our prayer.
